

A Letter from the Director

Dear family,

I am so excited that you have decided to explore all that Kids CARE Academy has to offer. Let me take a moment to introduce myself. My name is Angela Williams. I am happily married to my high school sweetheart Chris Williams and we have two beautiful children, Caleb 13 and Abigail 9.

I grew up with a mother in education and become passionate about teaching at an early age. I received my undergraduate degree in Early Childhood Education from Winthrop University and then went on to receive my Masters Degree in Education from Columbia College. From 2004—2016, I taught 1st grade in the Fort Mill school district. I truly felt that the classroom was my mission field and that each child I taught was an opportunity for me to share the love of Christ. In January 2016, God revealed to me that He had been cultivating me to create a Christ Centered Learning environment for our youth. I am so excited to be able to make Christ the center of our curriculum and instruction. Let's partner together to enhance our children's Christian character and educational experiences at Kids CARE Academy.

Love in Christ,

Angela Williams

Curriculum

Each child is unique.

Our Developmentally Appropriate Standards and Inquiry Based Curriculum are built around each individual child. All of our preschool classrooms and outdoor play areas include centers created to promote the development of the whole child through multi-sensory experiences.

Early Literacy Program:

Children will experience direct small group and whole group instruction based on each student's interests and developmentally appropriate standards. A print rich environment will create a love of reading and an awareness of written and spoken language.

STEAM (Science, Technology, Engineering, Art, and Math):

Children will experience STEAM activities, within the classroom to foster growth in math, science, and the arts. Through project based curriculum and centers, students will use hands on manipulatives to encourage questioning, hypothesizing, experimentation, and analysis. Our STEAM coordinator will prepare modified lessons for our two year olds to complete within their current classroom all while building their stamina and inquiry skills.

Christ Centered Curriculum:

Christ centered curriculum and prayer will be integrated daily into the academic curriculum. We will use the Orange Curriculum (Basic truths; God made me, God loves me, and Jesus wants to be my friend forever) to guide our children through their spiritual growth and development. This is also the curriculum used with our children and youth on Sundays at FMCOG. In addition we also teach and model 5 lifelong guidelines: Personal Best, No Put Downs, Active Listening, Truthfulness, Trustworthiness

Tuition

Kids CARE Academy is designed as a half day preschool offering quality instruction for ages 2 through Transition Kindergarten. We will follow the Fort Mill School District Calendar and SC Early Learning Standards.

Our program begins at 9:00 and ends at 1:00; however, parents may pick up anytime between 12:00-1:00. A morning snack is provided and a "parent packed lunch" is given at 12:00.

I look forward to giving you a personal tour and discussing registration and availability. Contact us to schedule your visit.

Program	Monthly Tuition (10 months)
2 day (T,Th)	\$220
3 day (M,W,F)	\$315
5 day	\$415
